Fix Your Bike

We're different! Instead of just fixing your bike, we pair you with one of our volunteer mechanics and you fix your bike together. You learn hands on how to repair and maintain your bike.

Rates and hours are online.

Earn-A-Bike

Our most popular program provides folks who can't afford a bike a way to earn one by volunteering in our community.

Full details on our website.

Buy A Bike

Ready to ride bikes

Project bikes

Kids bikes

New parts

Used parts

We've got them for less!

Donate

Whole bikes, partial bikes, parts, tools, we accept anything bike related.

Your donations are used to build working bikes, or recycled.

Your financial donations help us fulfill our mission of Building Community Through Bicycling. **Click the donate button on our website to contribute.**

We are a 501c3 non-profit business.

Abandoned Bikes

Since 2008, the Bike Co-op has worked with the city to be the clearing house for all stolen and abandoned bikes.

More info, including how to report an abandoned bike, is on our website.

Volunteer

We've got a spot for everyone.

Visit our website or stop by the shop to learn more.
